

2026 – 2027 Practice Test Release Dates:

Test	Date
Practice Test I	September 16, 2026
Practice Test II	October 14, 2026
Practice Test III	November 11, 2026
Practice Test IV	December 9, 2026
Practice Test V	January 13, 2027
Practice Test VI	February 10, 2027
Practice Test VII	March 3, 2027

These seven practice tests include 420 unique and carefully crafted science problems aligned with the rigor and style of the UIL Science competition. Designed with increasing levels of difficulty, they offer meaningful challenges for students at all stages—whether they’re just beginning their journey or preparing for State. Each question gives students a chance to strengthen their reasoning, deepen their content knowledge, and gain confidence in high-level problem solving. We created these assessments not just to measure progress, but to support you—the teacher and mentor—who guides students day in and day out. Thank you for the time, effort, and heart you bring to building the next generation of thinkers, scientists, and leaders.
